Sub: FAMINE - (Bellary) Gratuitous relief - distribution -
appointment of two additional Deputy Tahsildars -
proposals submitted.

Ref:- G.O. Ms. No. 1266 dated 14-6-46.

...

In obedience to the orders in paragraph 3 of the G.O. cited above I have disbanded the two additional Deputy Tahsildars. But I have not appointed the two circle Officers sanctioned in paragraph 2 of the G.O. or any additional Circle Officers for the following reasons.

2. Under the existing arrangements Taluk Tahsildars, Taluk supply Officers and other members of the regular staff who are not lower ~~the~~ in rank than a Deputy Tahsildar have been attending to the distribution of gratuitous relief in addition to their ordinary works. But some of the disbursing officers have represented to me, and it is true that they cannot attend to this work without detriment to their ordinary work. In order to give relief to these officers, I wanted at first to appoint Circle Officers, one for each firka and thereby give effect to the orders in the paragraph 5 of the G.O. cited ~~a~~ above. But as seventeen circle officers are required and as it is difficult to get suitable candidates without weakening still further the Divisional and Taluk offices, I have dropped this idea: I am trying to get the work done through the Firka Supply Officers and have to-day issued orders accordingly. These Firka Supply Officers are expected to be always on the move from village to village in their firkas in connection with the rural rationing work and I think they can distribute gratuitous relief once a week in addition to their ordinary work. I consulted the Taluk Supply Officers of Bellary, Rayadrug and Siruguppa in the matter and they agreed with me.

3. The work of the Firka Supply Officers requires constant supervision, and I have therefore asked the Taluk Supply Officers and Famine Deputy Tahsildars (where present) to check their work as frequently as possible. In Rayadrug and Kudligi Taluks there are Famine Deputy Tahsildars in addition to Taluk Supply Officers and so there may not be much difficulty in supervising the work of the Firka supply Officers in those taluks. In Alur Taluk, the number of affected villages is twenty-eight and the Taluk supply Officers, Alur can easily supervise the work of the Firka Supply Officers. The whole of Bellary and Siruguppa Taluks are affected and it may not be possible for the Taluk Supply Officers of these taluks to supervise the work of the Firka Supply Officers single-handed. I, therefore consider it desirable to appoint two Deputy Tahsildars one for each of the Taluks of Bellary and Siruguppa in the interests of the efficient and prompt distribution of ~~ag~~ gratuitous and effective supervision and request that the Board may be pleased to obtain the sanction of the Government for the appointment of two Deputy Tahsildars and one peon to work under each of them for a period of three months with effect from the date of employment.
